

Beltrami Home Security Grant
Application

Interested in improving your home security? This flexible grant program allows Beltrami residents to choose what home security option makes the most sense for their particular situation. The Beltrami Neighborhood Council will reimburse residents for up to \$100 for home security improvements. Eligible improvements include: new locks for windows and doors, motion sensor lights for the exterior of your home, new strike plates, replacements for broken windows or doors, security cameras, etc.

If you are unsure on where to start, we recommend starting with a free Home Security Audit from the MPD.
